Envision Eugene: Vision to Action - Meetings and Events

Envision Eugene: Vision to Action is a collection of four documents:

The Envision Eugene Comprehensive Plan and UGB (urban growth boundary) are the regulatory parts which will proceed through a formal adoption process. A list of the formal "adoption package" materials will be available at www.envisioneugene.org. Community Vision and the Urban Form and Action Plans help express and realize the vision but are non-r

The Community Vision and the Urban Form and Action Plans help express and realize the vision but are non-regulatory and will be reviewed for endorsement.
